Table of Contents:

Glossary.....	XI
I Literature review.....	1
I.1 Places of research and general conditions of camel production.....	1
I.1.1 United Arab Emirates.....	1
I.1.2 Rajasthan.....	2
I.1.3 Situation of the Raika camel breeders.....	4
I.2 Evolution, history and spreading of camels with special reference to India and the United Arab Emirates.....	7
I.3 Adaptation of camels to arid environment.....	13
I.4 Development of camel production.....	17
I.5 Camel milk.....	19
I.5.1 Lactation and milk composition.....	19
I.5.2 Taste.....	21
I.5.3 Medical use of camel milk.....	21
I.5.4 Bacteria in the milk and bactericidal effects.....	22
I.6 Camel milk products.....	23
I.6.1 Pasteurisation.....	23
I.6.2 Processed milk.....	23
I.6.3 Cheese.....	23
I.6.4 Cream, butter ghee and butter milk products.....	25
I.6.5 Non-fermented whole milk products.....	26
I.7 General problems in milk production.....	29
II.1 Own research on machine milking of dromedaries in Dubai, United Arab Emirates.....	31
II.1.1 Goals of the research.....	31
II.1.2 Material and methods.....	31

II.1.2.1 Measurements.....	31
II.1.2.2 Westfalia milking equipment.....	32
II.1.2.3 Animals.....	32
II.1.3 Results	32
II.1.3.1 Way of milking.....	32
II.1.3.1.1 Milking psychology.....	32
II.1.3.1.2 Milking physiology	34
II.1.3.1.3 Machine milking.....	35
II.1.3.2 Hygienic problems.....	36
II.1.3.3 Problems with milking equipment.....	37
II.1.3.4 Technical parameters.....	37
II.1.3.5 Milking parlours.....	38
II.2 Own research on dromedary milk production and marketing in Rajasthan (India).....	41
II.2.1 Goals of the research.....	41
II.2.2 Material and methods.....	41
II.2.3 Results.....	42
II.2.3.1 Camel herd structures and conditions of animal production.....	42
II.2.3.2 Readiness of the owners for camel milk marketing.....	44
II.2.3.3 Health.....	46
II.2.3.4 Breeding.....	47
II.2.3.5 An udder that can be milked properly.....	48
II.2.3.6 Nutrition.....	49
II.2.3.7 Transportation.....	51
II.2.3.8 Marketing.....	51
II.2.3.9 The dairy in Mundara (Pali District).....	52

III Discussion.....	55
III.1 Evolution, history and spreading of the camel.....	55
III.2 Camel milk products.....	55
III.3 Camels compared with other livestock.....	55
III.4 Requirements dairy camels should fulfil to ease milking.....	57
III.5 Training of camels for milking.....	57
III.6 Camel milk production systems.....	59
III.6.1 Pastoral Nomadism.....	59
III.6.2 Large scale camel dairy farms.....	62
III.7 Nutrition of camels.....	63
III.8 Camel milk production in other areas of the world.....	64
III.9 Conclusion.....	65
IV Annexes.....	67
IV.1 References.....	67
IV.2 Pictures.....	77
IV.3 Figures.....	125
IV.4 Summaries.....	219
IV.5 Acknowledgements.....	221
